

# Communication Sciences & Disorders Strategic Plan 2019-2021

Brooks Rehabilitation  
College of Healthcare Sciences  
JACKSONVILLE UNIVERSITY

## 2019

- Organize Communication Sciences & Disorders alumni group in the Jacksonville area for program support
- Develop student-faculty advisory groups for improved communication between faculty and CSD students
- Increase national and international recognition of the CSD program
- Provide increased opportunities for clinical education in the community; become ASHA-approved Continuing Education Provider

## 2020

- Establish a service-learning relationship with community partners
- Offer faculty expertise to clinical affiliates for consultation on difficult cases and for staff education
- Revise undergraduate curriculum to prepare students to become SLP-Assistants

## 2021

- Expand cohort size
- Develop alumni scholarship
- Continue to expand clinical affiliations in community by 10%
